

Whispering Pines Puppies

Whispering Pines Kennel (seller) makes the following warranties to buyer, in consideration for the purchase of a puppy.

Seller guarantees that upon arrival and for a period not to exceed 7 days thereafter, puppy is free of any non-stress related condition requiring veterinary treatment. If puppy requires treatment within the first 7 days of ownership, seller will make payment of up to \$200.00 to licensed veterinarian and/or vet clinic. This payment will only be made to vet clinic upon documentation of the condition and treatment needed to restore puppy to health. This payment will only be made for the treatment of condition and not the "office call" to diagnose condition, and is limited to the exact cost of treatment with a maximum payment of \$200.00

Furthermore, seller warranties that for a period of 2 years from date of purchase, if puppy manifests any congenital or hereditary defects, and this defect is of such a serious nature that it negatively affects quality or length of life, compensation will be made by seller. In such instances seller will reimburse buyer one-half of the purchase price of puppy, or offer to replace puppy if replacement is available. This warranty does not include or cover such things of a minor nature such as umbilical hernias that are easily corrected by a simple procedure. In those instances seller will cover the cost of the needed procedure.

To qualify for these guarantees, buyer must within 7 days of receiving puppy, have it examined by a licensed veterinarian.

Breeding rights are not given and producing puppies is forbidden.

No warranty is given as to the size and weight that this puppy will attain, or the level of shedding that this puppy exhibits. No warranty is given in regards to the temperament of this puppy.
